Innovation Hub

Where technology meets creativity, and students become tomorrow's engineers

Pioneering Excellence in Engineering

IETE-PCE is the premier student chapter of the Institution of Electronics and Telecommunication Engineers at Pillai College of Engineering. We are dedicated to advancing knowledge and fostering innovation in electronics, telecommunications, and information technology.

Our mission is to provide a platform for students to enhance their technical skills, participate in cutting-edge research, and connect with industry professionals through hands-on workshops, seminars, and collaborative projects.

Our Vision & Mission

Vision

To be the leading student organization in advancing Electronics, Telecommunication, and IT education, fostering innovation, and creating technology leaders for the future.

Mission

To provide practical learning opportunities, promote research and development, organize technical events, and bridge the gap between academic knowledge and industry requirements.

[Upcoming Events](#)

Tech Events & Workshops

Join our cutting-edge workshops, seminars, and competitions designed to enhance your technical skills

Workshop

● 25 JUN 2025

IoT Workshop

Hands-on workshop on Internet of Things applications, sensor integration, and smart device development

[Register Now →](#)

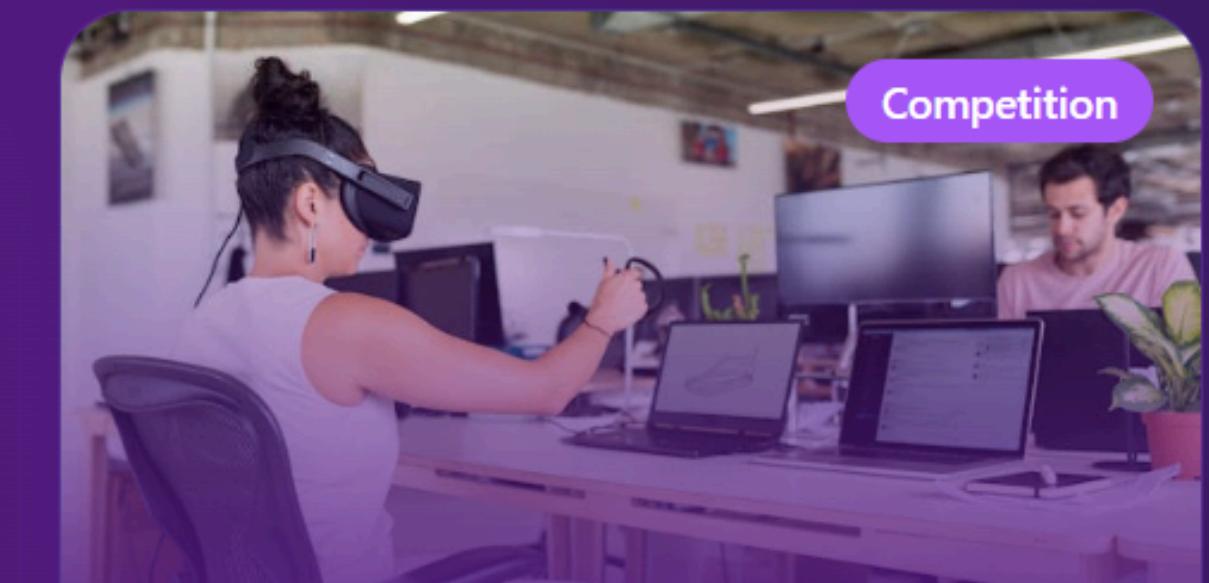

Symposium

● 30 JUN 2025

Tech Symposium

Annual technical symposium featuring industry experts, research presentations, and networking opportunities

[Register Now →](#)

Competition

● 05 JUL 2025

Project Competition

Showcase your innovative projects, compete with peers, and win exciting prizes and recognition
